Pakistan: Extremist Threatens Genocidal Violence Against Ahmadis, Authorities are Silent.

Reports about the Desecration of the Tombstones, Desecration of the Niche, and Desecration of the Ahmadiyya Worship Places Continue.

An extremist cleric has again issued lethal threats against Ahmadi citizens, according to social media videos monitored by the International Human Rights Committee (IHRC).

As previously reported by IHRC, Naeem Chatta Qadri is threatening to invade and destroy the Ahmadi graveyard in Rabwah, one of the most sacred sites for Pakistani Ahmadis.

Qadri is now [filmed](#)¹ advocating for the extermination of the Ahmadis as a group as **"enemies of the Holy Prophet,"** in other words, for a form of genocide.

Violence against the Ahmadis will go much further than the destruction of minarets on Ahmadi mosques, Qadri warned. He said he aims to **"destroy their mother,"** implying an action aimed at the roots in the Ahmadi community.

The IHRC implores Pakistani authorities to prosecute such inciteful and illegal threats before they result in further bloodshed and persecution.

Persecution against Ahmadis has ramped up as of late, as the IHRC has reported almost daily incidents against the minority group. Graveyards vandalism and Mosque Minarets' demolition has been a favored tactic of the Anti-Ahmadiyya element in Pakistan for years. This shameful tactic means Ahmadis are not free from persecution even after their death.

In July 2024, a group of top UN Human Rights experts including UN Special Rapporteurs urged an "immediate end to discrimination and violence against Ahmadis in Pakistan, citing documented evidence of "extrajudicial killings, arbitrary arrests and detentions, attacks on places of worship and curtailment of free expression, peaceful assembly and association." Apparently, their pleas fell on deaf ears.

We once again strongly urge the international community to impress upon the Government of Pakistan the need to discharge any absurd cases against Ahmadis and release all held in custody and thus honor its responsibility to provide effective protection and freedom of religious practice to Ahmadis, and ensure that perpetrators of such vicious actions should be brought to justice, to bring its laws and practices in conformity with international standards as ordained by Article 20 and United Nations Universal Declaration of Human Rights Article 2, 18, and 20, and the International Covenant on Civil and Political Rights (ICCPR) Article 25, 26.
